

Minutes of Treeton Environment Sub-Committee meeting held at 1.30pm on Friday 21st July 2006 in the Community & Resource Centre

Attendance: Robin Carter (Chair), Nic Marshall (Development Manager), Catherine Cooper (Administration Officer), Gordon Payne (Trustee), Derek Walker (member), Joan Frost (member), Paul Spivey (RMBC), Steve Ruffle (Community Connects).

1. Apologies: Richard Bland (Sustainability Officer), Susan Broadhead (Trustee), Matt Newman (Groundwork).

2. Minutes of meeting on 16th June 2006.

The minutes were accepted as a true record.

3. Matters Arising

Steve stated that Matt Mace would have a draft report on transport options produced within the next couple of weeks.

Nic confirmed that the company Mad Hatters intended to run a trial breakfast club in September and they were also looking at the possibility of running an after school club.

Paul requested that if anyone saw bikes in areas they should not be or causing a nuisance they should try to get number plates and as much information as possible and report them on the hotline 01709 832444.

4. Reports from groups/projects

It was confirmed that the Partnership had agreed to support the Playing Fields in a bid for Washfield Lane.

The next meeting of the **Treeton Sub-committee** will be in the Community & Resource Centre on **2nd August at 5.15pm**. It is hoped that members will attend with ideas for new projects for the village.

We should find out within the next few weeks whether we have been successful in our bid for a feasibility study for our farm project.

A bid has also gone in to English Heritage for restoration of St. Helen's church.

5. Future Projects

Robin suggested a project to map where Bole Hill cottages used to be and also wondered if it would be possible to arrange an archaeological dig of Cannonthorpe.

6. Date of next meeting Friday 15th September at 1.30pm.

7. A.O.B.

Steve stated that there will be a **Public Rights of Way & Green Spaces Community Workshop** in the Community & Resource Centre on **Monday 21st August at 7pm**.

Planners at the AMRC are creating a new factory of the future.

Paul stated that recently the gates to Forge Masters were not being kept locked. He stated that a lot of work had been done to improve the area and it is imperative that access is secured to prevent unauthorised activities.

Funding has been approved for the Link path beside the river providing access for people with disabilities and also a picnic area.
